

## 7 REASONS WHY YOU SHOULDN'T BE WITHOUT A FULL MAINTENANCE AGREEMENT

**1. Your time and employees are valuable.**

With full maintenance, you can worry less about your equipment fleet and focus on the demands of your business.

**2. No surprise costs!** You will know the fixed cost to maintain each piece of equipment in your fleet for the duration of the agreement.

**3. Low monthly payments!** With a combination of full maintenance and leasing, one low monthly payment ensures full equipment utilization and convenience at the lowest cost.

**4. Customized to fit your needs.** Our full maintenance program is custom-tailored to your needs, which keeps your equipment in peak condition and ensures uptime.

**5. Optimal equipment utilization.** No matter if you operate one piece of equipment or a whole fleet, or if your equipment is purchased or leased.

**6. Service when you need it.** Our service vans are completely equipped to handle unscheduled, emergency repairs promptly and on-site.

**7. Minimal cost per operating hour!** We offer 3-5-year contracts on new and used equipment.
